## ALLIES ROAM AT WILL OVER IRON TRIANGLE

Tokyo, Friday, June 15—(AP)—Allied tank columns roamed at will over the Reda shattered triangle in Korea Thursday, but small groups of Chinese bitterly opposed infantry attempts to mop up the area.

A late field dispatch said that although the Reds had apparently abandoned serious efforts to defend their former supply center, small forces up to company strength (150 or so each) remained behind to harass the advancing Allies.

Despite small local setbacks, however, the Allies were able to push ahead in that central sector. Farther east the Communists turned and fought.

United Nations patrols probed through intense artillery fire to outposts of the new Red defense line north of Yanggu and Inje on the east central front.

In some sectors the Allies were kept busy Thursday beating off a series of North Korean counterattacks. The U. S. Eighth Army reported only one advance of as much as a mile.

The picture along the east was in marked contrast to the situation in the west. Giant tanks, literally covered with riflemen, rumbled the length of the triangle Wednesday to Pyonggang. They were almost unopposed.

The two big columns of more than 100 tanks returned at night after sweeping beyond the bomb shattered city.

Tank forces and infantrymen again made "little or no contact" with the Chinese in the triangle area Thursday, the Eighth Army reported.

However, the Fifth Air Force said "a large concentration of enemy troops" poured heavy fire into U. N. troops in the Pyonggang sector. Jet pilots roared in with fire bombs and blasting machineguns. The Air Force said they "silenced the enemy."

A reporter for the Army newspaper "Stars and Stripes" said small groups of Chinese left behind as harassing forces made "the going rough" for Allies mopping up the area.

U. N. patrols roamed four miles ahead of lines along the western front without finding any sizable Chinese force, A. P. Correspondent Stan Carter reported.

The Eighth Army reported the Reds threw a series of probing attacks at the U. N. lines in the area northwest of Yanggu.

The Allied line was under artillery fire all day. An intensive barrage fell north of Yanggu. Patrols moving out well ahead of the lines were hit by heavy mortar fire.

Through most of the eastern area the Reds have been fighting small delaying actions to cover the retreat of their comrades. Reds (Turn to Page Ten)

## President Carries Fight for Stricter Inflation Control Powers in Address Tonight

Washington, June 14—(AP)—The senate banking and currency committee today defeated a motion by Sen. Robertson (D-Va.) to extend the present defense production act until June 30, 1952.

A member, who asked not to be named, said that the committee then started considering section by section an administration bill to broaden the controls and extend them for two years.

Before voting on Robertson's motion, the committee discussed proposals to extend the law for less than a year.

Robertson's motion would have extended the present law without amendments. He had suggested that action to give congress more time to prepare a new law. The present one expires June 30.

Meantime President Truman was prepared to back up his insistence on broader inflation control powers with a broadcast address from the White House tonight (9:30 p. m. EST) asking a consumers' crusade on congress.

But business led by the beef packers stuck to their guns for lesser federal limitations. Major industry organizations, like the National Association of Manufacturers and U. S. Chamber of Commerce, contend that removal of price-wage curbs would increase production.

The Ford Motor Co., while asking congress to extend controls, suggested a number of changes, such as guaranteeing higher price ceilings as labor and material costs increase. But Economic Stabilizer Eric Johnston claimed last night the Ford ideas would "destroy" stabilization.

The senate banking committee scheduled a vote today on a straight one-year extension of the present defense act—without the broader control powers asked by Mr. Truman.

A number of senators became impatient last night with beef industry spokesmen at a hearing of a senate-house defense production "watchdog" committee. The meat packers contended recent livestock rollbacks would curtail beef production and lead to black marketing and rationing.

Chairman Maybank (D-SC), along with Senators Robertson (D-Va.), Ives (R-NY) and Moody (D-Mich.), said that as a practical matter congress could not exempt the meat industry without "opening the doors" for other broad exemptions from controls.

"That would mean we'd wind up without any controls at all," Ives said. "The question therefore is, (Turn to Page Ten)

The money was obtained by taxing authorities under a provision of the state's 1947 local tax law permitting taxes on coal and other natural resources.

The state supreme court later ruled that severance taxes on coal, lumber and other natural resources were unconstitutional.

However before the tax was declared illegal, hundreds of school districts, cities, boroughs, towns and townships collected a total of \$1,147,569 under the levy. Of this amount, \$1,059,564 was collected by 159 school districts.

A bill, now up for final passage in the house, would require all money levied under the tax provision to be refunded to the counties.

## Penna. Announces Gas Tax Refunds

The State Revenue Department has approved \$5,439,520 in refunds from gasoline taxes for distribution to counties in Pennsylvania, the Associated Press reported today from Harrisburg.

The refunds cover one-half cent out of the five-cent per gallon gasoline tax paid during the first six months of 1951. Under the state law the money must be spent by the counties on existing bridges and highways as designated by commissioners in each county.

The amount allocated to Warren county was \$27,216. Amounts received by neighboring counties were Clearfield, \$42,956; Crawford, \$45,245; Elk, \$16,596; Mercer, \$61,653; and Venango, \$49,554.

The drowning occurred near Irwin when Francis Harrison fell from a bridge into Guffey Hollow creek.

The rain-fed streams and even overloaded sewer lines backed in to low-lying streets in Greensburg and Jeannette. Some observers said water rose up to auto fenders in sections.

At Meadville an inch of rain fell within a half hour last night. Over a 24-hour period up to 8 p. m. Meadville had two inches of rain. Little damage was reported there.

STRIKE SETTLED  
New York, June 14—(AP)—Some 65,000 garment workers went back to their jobs in four states today after settlement of the industry's first work stoppage in a quarter century. A union spokesman said that conditions in the industry already had returned to normal.

BROTHERS CASUALTIES  
Clearfield, June 14—(AP)—Two brothers who fought together and died together in Korea were buried today as Clearfield veteran organizations conducted a military funeral. The brothers—Pfc. George Heichel, 20, and Pfc. Homer A. Heichel, 19,—were killed in action last July 12. They enlisted in the army in December, 1943.

Sen. James N. Berger (R-Potter) who will preside at the GOP senate caucus tomorrow, disclosed he is ready to receive for consideration any alternate tax plans that may be proposed.

Several already have been mentioned, including a one per cent mercantile tax, and a reduction from one-half to one-fourth in the proposed income tax. The latter suggestion, however, is expected to get little favor.

FIGHT TO BE HELD IN GARDEN FRIDAY  
New York, June 14—(AP)—The Joe Louis-Lee Savold 15-round fight has been postponed another 24 hours and now will be fought in Madison Square Garden tomorrow night, the International Boxing Club announced today.

The bout originally was scheduled for last night but was set back because of rain and now has been postponed a second time.

Association President C. E. Streeter told the group the association has expanded its refining research program this year "in order to protect and improve the quality of Pennsylvania oils, to increase, if possible, the lubricating oil yield and to endeavor to develop additional techniques in the identification of Pennsylvania oils."

In another prepared address, James W. Martin, consulting engineer for the Oil Recovery Corp., said use of carbonated water or brine on oil sands have been most encouraging.

H. A. Leedy, of the Armour Research Foundation in Chicago, told the association that only 2,800 of the nation's 240,000 manufacturing organizations have any research laboratory. He said research is necessary to insure a sound economic future for the country and to give a company insurance against obsolescence.

## Former Defense Secretary Gives Intimate Story of Conferences Before Korean War

## M'ARTHUR TO TALK TONIGHT AT HOUSTON

Houston, Tex., June 14—(AP)—Gen. Douglas MacArthur brought his anti-administration stand to Texas' largest city today after drawing a record crowd at a Houston welcome parade.

His speech tonight in a 70,000 seat football stadium will give the deposed far eastern commander an opportunity to develop these arguments he voiced on arriving in Texas yesterday:

1. U. S. policy makers are guilty of appeasement in Korea—appeasement that could lead to war with Russia.

2. The administration is guilty of "moral weakness" in talking of a peace settlement.

The biggest crowd ever seen in Houston turned out—but cheered only with marked restraint—to see MacArthur's arrival parade late yesterday.

Mayor Oscar Holcombe estimated the crowd at around 440,000, almost double the previous record of 250,000 drawn by President Franklin D. Roosevelt in 1936. Other estimates ran considerably lower.

MacArthur made his appeasement accusation from the steps of the state capitol in Austin.

"The policies of appeasement on which we are now embarked carry within themselves the very incitation to a war against us," he said. "If the Soviet does strike, it will be because of the weakness we now display rather than the strength we of right should display."

He blamed "the moral weakness of the free world"—not Soviet military strength—for Russian advances.

"It is a weakness which now causes those in authority to stoically hint at a settlement of the Korean conflict under conditions short of the objectives our soldiers were led to believe were theirs to attain and for which so many yielded their lives."

Four members of the Trenton six—Six negroes accused of the 1948 slaying of an elderly shopkeeper—were acquitted today and two were convicted.

A Mercer county court jury returned the verdict after nearly 20 hours deliberation. It was the third trial for the six men.

They all were found guilty and sentenced to death after their first trial three years ago. A state supreme court later upset the convictions of the six whose ages range from 26 to 39.

The jury of six men and women, all white, recommended mercy for the two defendants found guilty. They were sentenced to life imprisonment at hard labor. Their counsel immediately said he would appeal.

Found guilty of first degree murder were Ralph Cooper and Collis English. Freed were McKinley Forest, John McKenzie, Horace Wilson and James Thorpe.

The jury, appearing worn and haggard, returned to the courtroom at about 7:30 a. m. (EST). Shortly before the jury filed into the court, a detail of Trenton police was stationed throughout the courthouse to guard against possible disorder.

There were no demonstrations. Two unidentified negro women, however, became hysterical and were led from the courtroom by police.

Officers of the Elks lodge will conduct the introductory exercises and also an altar service, with R. C. Schumacher serving as chaplain for the invocation.

The program also will include a colorful ceremony depicting the history of the flag with R. J. Weigle, past exalted ruler, as the reader, and members of Boy Scout Troop 5, sponsored by the Elks Lodge, serving as flag bearers.

The pledge to the flag, the playing of the National Anthem, and a retreat ceremony by the Veterans of Foreign Wars firing squad will conclude the program.

## Huge Audience Enjoys Opening Concert By Boy Choir at the School Auditorium

The fourth annual concert of the Warren Boy Choir at the High School auditorium last night opened to a jam-packed house and kept them thrillingly entertained throughout the long and varied program. Every seat in the auditorium was taken fifteen minutes before curtain time, and even when all the available extra chairs were set up there were still many standing in the back of the hall.

Tonight the boys will present a duplicate and concluding performance of what everyone agreed was their finest appearance yet. Under the sparkling emceeing of Jim Valone, the evening started off with a reverent and beautifully executed group of sacred songs.

Continuing with a Prayer from "Hansel and Gretel" and a collection of five secular numbers concluding with the rousing "Battle Hymn of the Republic", the first two sections were terminated by a brief extemporaneous talk on the history of the choir by Vice President Jack Donaldson.

Section III opened to a beautifully staged specialty number amusingly built around the song, "Abba Dabba Honeymoon", starring Robert Saunders, tapdancer, and the changed voices of the choir in a tropical setting. The tiny alto quartet composed of Robert VanBlot, Kurt Donaldson, Rodney Hampton and Raymond Bennett practically stopped the show with "Mocking Bird Hill" and an equally enjoyed encore, and Paul McDannel produced thunderous applause with his inimitable rendition of "I Taut I Taw A Pudy Tat". Then the curtain rose on a rollicking scene "in them thar mountains" as the whole choir presented their own original Hillbilly Skit, written by Roger Rue and Richard Valone, into which was skillfully woven seven melodious folk songs to the accompaniment of a shotgun wedding and a Hatfield-McCoy feud that was hilarious.

After a brief intermission the choir returned in "Serenade At Sea", staged on an impressive replica of a Navy man-of-war, and with all hands in authentic sailor garb. From "Anchors Aweigh" to "God Bless America" the boys sang a round dozen songs that everybody loves—new and old popular tunes that live in the memories of us all—as will this never-to-be forgotten performance of the boy singers Warren has taken to its heart. Soloists were Dennis Lord in a lovely soprano "The Lord's Prayer", Charles Smith in a haunting "Lonesome Police."

Billings called for a convention to revise Pennsylvania's 77-year-old constitution will be introduced in the state senate and house of representatives next Monday.

The announcement was made today by Attorney General Robert E. Woodside, whose office drafted the proposed substitute legislation.

The new measures will supplant bills pocketed by a senate committee for months calling separately for a constitutional convention and for a vote by the people of whether they want the convention.

Woodside said the new administration supported legislation would fix the Nov. 6 general election date for a referendum on the issue.

At the same time, the commonwealth's voters would choose delegates for the convention in the event it is decided to hold it.

"Candidates for convention delegates would be nominated by political party procedure," Woodside said.

He explained that this was necessary since it is too late to name candidates for the July 24 primary election.

One candidate from each of the commonwealth's 50 state senatorial districts would be chosen now in committee, calling for three delegates from each of the state's 33 congressional districts.

Woodside indicated that whichever bill is acted upon in its respective house first would be the one accepted.

Three times in recent years—in 1921, 1923 and 1935—the idea of holding a convention to write a new constitution has been rejected by the state's voters.

At the same time, the commonwealth's voters would choose delegates for the convention in the event it is decided to hold it.

## Plan to Send U. S. Mission To Formosa in 1949 Reported Over-Ruled By Pres. Truman

Washington, June 14—(AP)—Louis Johnson, former secretary of defense, testified today he wanted to send a U. S. military mission to Formosa in December, 1949, but President Truman over-ruled him because of "political" protests from the state department.

Testifying at the senate's MacArthur inquiry, Johnson said it was only after the fighting began in Korea that the state department shifted its position and "no longer opposed doing things to keep Formosa from falling into unfriendly hands."

Formosa is the big island off the China coast where Chiang Kai-Shek's Chinese Nationalists took refuge when driven from the mainland by the Communists.

The question of its importance strategically to the United States has figured repeatedly in the hearings by the senate armed services and foreign relations committees on the dismissal of Gen. Douglas MacArthur.

Johnson, who left the Truman cabinet last September, said the decision to send the Seventh fleet to guard Formosa—after the outbreak of the Korean War—was taken after the president and others listened to a "brilliant" memo on the subject by MacArthur.

Johnson told the committee that there had been a difference of opinion between the state and defense departments late in 1949 about Formosa.

Johnson also gave the senators their first intimate story of the top-level conferences here at the time the Korean War broke out.

He said the decision to intervene militarily in Korea was made at a White House meeting on motion of Acheson.

It was the first time Acheson has been represented as the adviser who actually proposed the move to Mr. Truman.

Johnson said Acheson "moved, reading from a prepared statement, that we send the navy and the air force in."

Johnson said "the military neither recommended it nor opposed" except to discuss "the difficulties and the limitations."

On the Formosa question, Johnson told the senators there was a "really violent discussion" between him and Acheson at a June 25, 1950, meeting. He said the decision to send the fleet to guard Formosa was not made until the next night.

Johnson said he suggested at the first meeting that the fleet, then in the Philippines, be started moving toward Japan and President Truman said "that is a good idea, do it."

Earlier Johnson said the American troops in the Far East were not ready for a fight when the war came, and that he had received no intimation of possible trouble in Korea when visiting MacArthur's Tokyo headquarters only days before the North Koreans launched their invasion of South Korea.

The first U. S. action was to direct that American sea and air on Meadville's northern outskirts.

Late Contributions Send Boy Choir Trip Fund Near \$700 Toward Goal of \$1,000

Contributions to help send the Warren Boys Choir to Philadelphia where they will appear on Paul Whiteman's Teen-TV talent show today totalled \$654.15. Goal for the drive is \$1,000.

The trip to Philadelphia will be made by chartered bus, with the show appearance slated for Saturday night, June 23, at 8 o'clock. Rehearsals will keep the boys busy from 1 p. m. Saturday afternoon until show time, with a brief break for the evening meal.

Thirty-seven boys will make the trip, and will be accompanied by Choir Director Byron Swanson and at least three other adults.

A large number of individuals, businesses and industries have made contributions to the fund so far, and it is hoped that sufficient additional donations will be made tomorrow and over the weekend to push the fund over the top.

Contributions may be sent to either the Warren Times-Mirror or to Radio Station WNAE.

Mrs. Hattie Swavey, of 5 Glennwood street, suffered a fractured wrist last night at 10 o'clock when she was struck by a bicycle in the 690 block of Pennsylvania avenue. She was taken to the emergency room at Warren General hospital where a cast was applied and she was then sent home.

Edward Duffy, 17, of 105 Brook street, told borough police he was proceeding east on Pennsylvania avenue and that the woman stepped out from behind a parked car. The boy was not hurt.

Mrs. Clara Dixon, of Clarendon Heights, also was treated at the hospital emergency room yesterday for a fractured wrist which she reportedly suffered when she slipped on a newly painted floor at her home.

## Pittsfield Woman Dies Suddenly In Car Near Sheffield

Margaret Pearl Long, 57, wife of Harry J. Long, well known Pittsfield residents, passed away suddenly in the family car near Sheffield Wednesday afternoon about five o'clock en route from Florida to their home. After her collapse she was rushed to the Warren General Hospital where she was pronounced dead by a physician without being admitted. Death was due to cerebral hemorrhage.

Mr. Long stated that they have been spending winters in Florida for the past six years because of the health of Mrs. Long. They left there Sunday, but Mrs. Long was ill most of the way. Tuesday night was spent at a tourist place conducted by a cousin of Mr. Long, and before leaving yesterday Mr. Long telephoned two daughters from Jamestown, Mrs. Violet Boswell and Mrs. Eloise Anderson, who with Mr. Boswell, drove to Fenfield to accompany the Longs to Youngsville. A physician from Fenfield prescribed for Mrs. Long early in the afternoon, but stated that she had a complication of ailments that might require hospitalization.

The two daughters with Mr. Long stated that their mother seemed to collapse while they were near Sheffield, and they could not rouse her.

Mrs. Long was born at Grove Summit, Jefferson county May 13, 1895. They have resided in the vicinity of Pittsfield for almost 20 years where Mr. Long is a well known farmer and potato grower. Besides the husband she is survived by three daughters and a son: Mrs. Violet Boswell and Eloise Anderson, Jamestown, N. Y.; Francis Long, Randolph, N. Y.; Gladys Meade, Hawaiian Islands. There are five grandchildren, and the following brothers and sisters: Floyd Groves, DuBois; Mrs. Lon Baughman, Baltimore, Md.; Mrs. Beattie Schaffner, Erie; Mrs. Florence Charleston, Falls Creek; Mrs. James Irwin, Bradford; Mrs. Fred Dunlap, DuBois. She was a member of the Grove Summit Methodist church.

Removal was made to the Young Funeral Home in Youngsville, where friends may call at the usual hours beginning this evening at seven o'clock, and where services will be held Saturday afternoon at two o'clock, followed by interment in the cemetery at Buxton, N. Y.

## Phalanx Club Aids Boy Choir Project

At a special meeting of the Phalanx Fraternity held at the YMCA last night, members voted to contribute \$10 to the Boys' Choir Fund.

In connection with the American Summer Program for European students that is being conducted in Warren this year, the Fellowship agreed to give another \$10 to help finance the project. Officers representing the club on the committee are Jerry Huber, Deane Swanson, and Allen Anderson.

Members also voted to participate in the Jaycees' Fourth of July celebration, further details to be given after the meeting of the Jaycees' committee tonight.

Ralph Hoffman, chairman of the rummage sale to be held by the club, announced the sale will be held Saturday, June 23, in the Canteen from 9 a. m. to 5 p. m. Any one interested in contributing something for the sale may call the YMCA, 1000, or Allen Anderson at the Times-Mirror, and the articles will be picked up.

As the Canteen will be closed from this Saturday to July 14, the club decided on holding a dance in the "Spot" on Friday night, June 29. Arnold Swanson and Fran Masterson were appointed co-chairmen to head the affair.

The next meeting of the Phalanx will be held Wednesday, June 20, when further plans will be made on their coming events.

### PRICE ROLLBACK ON CLOTHING

According to Sam Dawson, Associated Press feature writer, in an article from New York, the garment industry doubts that many prices will be cut by the rollback on clothing formula Washington is expected to issue.

There may be price relief, however, from another source. There are large inventories of unsold clothing, and of uncut fabrics, and considerable price resistance from people who no longer have money to spend on new duds at present prices.

Trade sources think these two factors, would be more likely to reductions than the formula of pricing which Price Stabilizer DiSalle says he has signed.

Industry sources think the pricing formula, in its first phase at least, will be aimed only at whoever may have been chiselling since Korea. DiSalle says the formula will allow clothing manufacturers to use their pre-Korean prices and tack onto them the increased costs of labor and materials in the last year. They have been considerable, especially the increase in the cost of wool.

Clothing manufacturers say the higher prices of apparel merely reflect the increased costs. But DiSalle says some manufacturers increased profits and in that case they'll have to cut back prices.

Profit control creeps more and more into the picture as the price controls get firmer. Garment manufacturers believe that Washington is determined to cut profits back (through price curbs) to a level of 85 per cent of what they were in the years before Korea.

The new pricing order, they believe, might be the opening wedge for future rollbacks on profits.

The joker, as they see it, is that while they would be allowed to reflect rising costs between Korea and the present in their price ceilings, they would not be allowed to pass on any increase in the unit costs of making garments from now on. Profits would thus steadily be squeezed back, if taxes go higher and the cost of doing business rises.

Mobilization Director Charles E. Wilson said as much yesterday. He said he was against allowing "higher prices because of increased production costs" due to growing material shortages or other factory problems.

Industry spokesmen are beginning to grumble openly at the government's attempt to hold down profits.

A leading steel executive accuses the government of seeking "profit starvation" of industry. Roger M. Blough, executive vice president and secretary of U. S. Steel Co., says that in practice the 85 per cent profit standards the government seeks will actually mean a rollback of 50 per cent in the earnings of steel companies.

He says that's because the profit formula is figured on earnings before taxes (now much higher than in the base years right after the war.)

### I AM OLD GLORY!

(Compliments of the United States Marine Corps)

I am Old Glory! For more than eight score years I have been the banner of hope and freedom for generation after generation of Americans. Born amid the first flames of America's fight for freedom, I am the symbol of a country that has grown from a little group of thirteen colonies to a united nation of forty-eight sovereign states. Planted firmly on the high pinnacle of American Faith my gently fluttering folds have proved an inspiration to untold millions. Men have followed me into battle with unwavering courage. They have looked upon me as a symbol of national unity. They have prayed that they and their fellow citizens might continue to enjoy the life, liberty and pursuit of happiness, which have been granted to every American as the heritage of freemen. So long as men love liberty more than life itself; so long as they treasure the priceless privileges bought with the blood of our forefathers; so long as the principles of truth, justice and charity for all remain deeply rooted in human hearts, I shall continue to be the enduring banner of the United States of America.

### I AM OLD GLORY!

A capacity audience thrilled to the program presented by the Warren Boy Choir at the High School auditorium last evening. These are the singers who are to appear on Paul Whiteman's TV program in Philadelphia June 23. Have you mailed in your check to help finance the trip? Do it now!

## The Trigger

## Here And There

The annual community Flag Day exercises sponsored by the Warren Lodge of Elks will be held tonight beginning at 7:30 o'clock from the Hickory street porch of the club house and the officers in charge are hoping there will be a large turnout for the occasion, since the principal address will be delivered by Hon. Carroll D. Kearns, one of the outstanding representatives in congress from Pennsylvania.

The flag of the United States has 13 horizontal stripes - 7 red and 6 white - the red and white stripes alternating, and a union which consists of white stars of five points on a blue field placed in the upper quarter next to the staff and extending to the lower edge of the fourth stripe from the top. The number of stars is the same as the number of states in the union. The canton, or union now contains 48 stars arranged in six horizontal and eight vertical rows, each star with one point upward. On the admission of a state into the Union a star will be added to the union of the flag, and such

addition will take effect on the 4th day of July next succeeding such admission.

According to a historian the following description of the significance of the different parts of our national flag was written by a member of the committee appointed by the Continental Congress to design a flag for the young Republic:

The stars of the new flag represent the new constellation of States rising in the West. The idea was taken from the constellation of Lyra, which in the land of Orpheus signifies harmony. The blue in the field was taken from the edges of the Covenanters' banner, in Scotland, significant of the league-covenant of the United Colonies against oppression, incidentally involving the virtues of vigilance, perseverance and justice. The stars were disposed in a circle symbolizing the perpetuity of the Union; the ring, like the serpent of the Egyptians, signifying eternity. The thirteen stripes showed with the stars, the number of the United Colonies, and denoted the

subordination of the States to the Union, as well as equally among themselves. The whole was the blending of the various flags of the army and the white ones of the floating batteries. The red color, which in Roman days was the signal of defiance, denoted daring and the white purity.

This 'N That: Here's an interesting paragraph from the Warren Ledger printed six years ago this week: "The brick walls of the new school house, corner of Third and East streets, are approaching the second story, and the structure thus far has the appearance of being well and substantially built."

... And from the same issue we learn that the 14th annual commencement exercises of the Warren Academy were held at the Library theater the night before, with the following names listed as those receiving diplomas, Rice, Burge, Anna M. Clark, Lizzie Sylvia Delaney, Elizabeth W. Pierce, Jetta M. Smith, Annie A. Walkerman, Ivy May Seager, Leon Ensworth, Charles F. Hamilton, Manly L. Parker. ... Friends of Mrs. Winnifred Thayer will be interested in a card received from her, mailed at Rochester, N. Y., which says, "I wish to thank you for the interest you took in announcing about my brother and I meeting in Youngsville and for the picture and writeup about us. I also thank you for the copies of the Times-Mirror; we met several of our cousins in New York and New Jersey." ... Representative Carroll D. Kearns, of Greenville, who deliver the oration at the annual Flag Day exercises at the Elks Club this evening rates one of the longest biographical sketches of any Keystone State congressman in the latest issue of the Pennsylvania Manual, edited, incidentally by Alice Allen, former Warren woman. ... Whether Pennsylvania will have an open season on deer or one week for buck and one week for doe is a question that will probably be answered at the July meeting of the Game Commission. ... About time to be thinking about that float to enter in the Fourth of July parade.

Potpourri: According to the "grape vine" another circus is angling for a sponsor and date appearance in Warren some time during the summer. ... We're asked to give publicity to the fact that the Blue & White amateur circus is rehearsing for performances to be staged on Wilson street in the Conewango avenue section, and there will be games and a play with magic tricks; everyone is invited to attend; gates open at 1:30 o'clock. ... Pleasant township is going ahead with plans for their first annual celebration to be held the week of July 9th, featured by a carnival, parades, etc.

## YEARS AGO

Interesting Items Taken From The Warren Evening Times

1931

An adjourned meeting of the board of school directors will be held this evening for the purpose of receiving bids for the proposed new building to replace the McClintock school destroyed by fire some weeks ago.

Despite a terrific electrical storm accompanied by torrential rains and hail, appropriate tribute was paid by Warren citizens to the American flag Sunday afternoon at four o'clock, when exercises sponsored by the Lodge of Elks were held in the State Armory after plans to stage the program in Memorial Park had to be abandoned.

Will Rogers says: "Did you read how many thousands (not hundreds, but thousands) of students just graduated all over the country in law? Going to take an awful lot of crime to support that bunch."

A report shows that retail stores of Warren did over \$21,500,000 in business during the past year.

Mrs. Charlotte Lohnes has arrived home from Indianapolis where she attended the national convention of the American Guild of Organists.

1941

War Bulletins: Campaign in Syria nears end with the surrender of Damascus expected within a few hours. Success of Allied offensive depends on how quickly self-proclaimed liberators can occupy the capital and coastal city of Beirut, without tremendous bloodshed, which cramps mechanized style of fighting.

Harold Smith, golf pro at the Conewango Valley Country Club, is cooperating with prominent clubs all over the country in promoting a special Flag Day national handicap tournament for the benefit of the British War Relief Society, Inc.

Mrs. Hilda Anderson was re-named senior regent at a meeting of Women of the Moose. Others chosen were Mrs. Mary Teconchuk, junior regent; Mrs. Rose Amacher, chaplain; Mrs. Alice Lauffenburger, treasurer; Mrs. Grace Miller, re-elected recorder.

Store Manager Honored at Party

H. B. (WALLY) PETTIT

B. Pettit, manager of the J. VFW Post, 314, at Clarendon Post, was the first of July and wife were honor guests at a delightful outing on Lake Chautauque Wednesday, attended by representatives of stores in Bradford, Franklin, Oil City, Mead-

State Commander Of V. F. W. Visitor At Clarendon Post

In a tour of inspection of VFW posts in the northwestern part of the state, the department commander, Louis G. Feldman, Harrisburg, was a guest of the Marshall Post, 314, at Clarendon. A large delegation of post officers and members was on hand to greet the commander and his chief of staff, Claude F. Zotter, Allentown. Post history was in the making, since this occasion marked the first time a department commander had visited the unit since it received its charter June 4, 1935. Addressing those assembled, Commander Feldman praised and thanked the post for the excellent cooperation given him during his term of office. In turn, he was presented a gift of appreciation from the post by Howard A. Thompson, commander. Veterans of World War I who helped organize the Marshall Post and were present for this official inspection event were Frank Walker, Eldore Peterson, Fred Blair, Hans Walchli, Philip Arrigo, Lloyd Knight and Ignazio Barbera.

MR. AND MRS. LOUIS A. BONACE

Holy Redeemer church was the scene of a pretty June wedding at 10 o'clock Saturday morning, June 9, when Katherine M. Gotto, daughter of Mr. and Mrs. Matthew A. Gotto, became the bride of Louis A. Bonace, son of Mr. and Mrs. Steve Petrowski, 112 Cayuga avenue. The Rev. Father M. J. Macken, Clarendon, performed the ceremony before an altar banked with white gladioli.

Traditional wedding music was played by the church organist, Evelyn Donnelly, and Winifred Armstrong sang "Ave Maria," "Mother at Your Feet Is Kneeling," and "On This Day Oh Beautiful Mother."

Margaret Gotto was maid of honor for her sister, wearing frosted green organza, floor length, with Peter Pan collar. Bridesmaids were her sister, Josephine Pace, in pink, and the bridegroom's cousin, Mary Ann Schaffer, in yellow, styled like the maid of honor's. All carried bouquets of white daisies and baby pompons with matching ribbons, and wore flower head pieces.

Dennis Bonace was best man for his brother and ushers were James Gotto, the bride's brother, and James Scalise.

The lovely bride was escorted and given in marriage by her father. Her white satin wedding dress had a Peter Pan collar, buttons to the waist and lace inserts in the bodice and on the skirt which ended in a long train. Her veil, edged in chantilly lace, fell from a lace cloche with pearl trim, and she carried a spray bouquet of white roses, pompons, lily of the valley, centered with a white orchid.

Immediately following the ceremony a wedding dinner for forty guests was held at the American Legion, where from three until six o'clock there was a reception for two hundred guests. Decorations were white gladioli and daisies, and the four-tiered wedding cake was topped by a miniature bridal couple. Orrie Beebe played organ music throughout the reception.

After a honeymoon to Cleveland and points west, the couple will be at home at 811 Pennsylvania avenue, east.

**ARLENE SPECKMAN TO OBSERVE OPEN CHURCH**

Arlene Speckman will observe open church for her marriage to Dr. Walter Jones on Saturday, June 16. The ceremony will be performed at 2:30 o'clock in the First Lutheran church.

**WARREN GRANGE**

Warren Grange, No. 1025, will confer third and fourth degrees on a class of new members Monday evening at eight o'clock.

## Zem Zem Shriners Hold a Golf Match

In spite of inclement weather, 54 members of the Zem Zem Shriners Golf League were in attendance at the match held yesterday at the Conewango Valley Country Club. Due to heavy rain during the early part of the afternoon, only a nine hole match was held. Low gross winners were all local Shriners, George Juline having a score of 40; Ray Elliott, 41; and Nat Drake, 43. Low Net winners were Juline with 30; Del Robinson, of Erie, 33; and Ray Elliott, 33, after handicap.

High Gross winners were Don Schimmel with 71; Hugh Morrow, 38; L. G. Toye, 62; and Hugh Darsie, 62; all Erie, men.

Kicker's handicap prizes were won by Sam Bliss, John Graham, William Washabaugh, Jr., and Charles Fuxler of Erie, with William E. Lutz of Warren also a winner.

A fine dinner was served to the group at 7 o'clock.

Called on for brief remarks after dinner were Horace A. Crary, Zem Zem Hospital trustee; William E. Lutz, Post Potentate; Allen Gibson, State Assemblyman; Harry Mueller of Erie, Assistant Rabban of Zem Zem Temple, and George Blair, this year's president of the Zem Zem Golf League.

Nat Drake was general chairman and acted as toastmaster for the affair, with Ray Elliott, George Juline and Fred Printz also on the local committee.

These golf matches are held by the Shriners once a month, during the summer and the next match will be held at Wanango Country Club, Oil City on July 11.

Members of the Warren County Shrine Club will hold a picnic tonight at 8:30 o'clock at Oakview, with the Lewis Catering service scheduled to serve a chicken barbecue dinner.

## Historical Group Is Planning Field Trip

The field trip sponsored by the Library Historical Group, postponed from last Sunday, will take place this Sunday, June 17th. The meeting is open to all persons interested in Warren County history, and is planned as a visit to the Irvine Presbyterian church and its church-yard and the old stone houses in the vicinity, all of which are so intimately connected with the lives of the pioneer Ir-

vine family. Historical data will be gathered from the markers in the graveyard.

Cars will leave Warren Public Library at 1:30 o'clock, and anyone who desires transportation or can take passengers in requested to telephone the library, 1085, by Saturday morning.

On Wednesday evening, June 20, the Library Historical Group will hold its usual work meeting at the library, to continue indexing the early newspapers of the County, and at this meeting the next field trip will be planned.

**RUSSELL ALUMNI**

The Russell Alumni Association will hold its annual "Get Together" on Saturday evening, June 16, at the school house. Members are to bring a tureen and table service for the 6:30 tureen. Also, each member is asked to bring a guest.

**WOMEN OF MOOSE ELECTION OF OFFICERS**

The Women of the Moose held their regular meeting last evening with Marie Covell in charge. The following officers were elected:

Senior regent, Esther Odell; junior regent, Ruth Dahler; chaplain, Laota Minnick; treasurer, Ann Stigelmair.

Committee reports were handed in, and at the close of the evening, prizes were awarded to Mable Crimpenshaw and Laota Minnick.

**AKELEY - BRIGGS REUNION**

The Akeley-Briggs reunion will be held on Sunday, June 17, at Spencer's Grove on the Kiantone Road. There will be a tureen dinner.

**BIRTHDAY DINNER FOR MRS. SWEETING**

Mr. and Mrs. Harry Nuhfer, East Fifth avenue, ext., entertained at a picnic dinner on Sunday, June 10, in honor of Mrs. Myrtle Sweeting's eighty first birthday anniversary. The honored guest was presented with a red carnation corsage, gifts and a purse of money.

Present to help celebrate were: Mr. and Mrs. Willis P. Seely, E. D. Seely, Oil City; Mr. and Mrs. Olin Davidson, Oil City; Mrs.

Alice Clark, Mrs. Fred Axley and children, Linda and Freddie, Mr. and Mrs. Harold Maloney and daughter, Karen Sue; Mr. and Mrs. Lee R. ## Taydus and Baker Ceremony Read In St. John's Church

St. John's Catholic church at Tidoute was the scene of a pretty wedding Saturday, June 9, when Father Edward Jacobs united in marriage Lenore Mae Baker, daughter of Mr. and Mrs. L. Byron Baker, Grand Valley, and John J. Taydus, son of Mr. and Mrs. Joseph Taydus, Torpedo, AD 1.

The bride entered on the arm of her father and was attired in a formal gown of white satin. Seed pearls trimmed the sweetheart neckline of the gown's fitted bodice. Sleeves came to points

at the wrists, and the full skirt ended in a train. Wide pointed Chantilly lace trimmed her veil of illusion, which fell three-quarter length from a coronet of seed pearls. Her only jewelry was a three-strand necklace of pearls worn by her mother for her wedding.

Attendants were her sisters, Margaret as maid of honor and Joyce as bridesmaid, wearing, respectively, gowns of yellow and pink lace and nylon and points of matching lace. Their arm bouquets were of matching asters, the little flower girl was Rose Ann Black, niece of the bridegroom, wearing floor-length white organza, a shoulder-length veil caught to a headress of white asters, and carrying a nosegay of pink asters. Ronald Seber, nephew the bride, was the ring bearer.

Walter Taydus served his brother as best man and Henry Stec was the usher.

The wedding breakfast was served at Clements Hall, Grand Valley, and a reception for more than 100 guests was held there later. Polkas from Marie played for the reception and dance.

Mr. and Mrs. Taydus will be at home to friends after June 17 on their farm near Garland. Mr. Taydus has been employed by the United Hardware and Supply Company, Titusville, and he owns and operates his own farm.

## Tidioute WCTU Gives Annual Pupil Awards

Mrs. Frank Kapp, Warren County WCTU president and head of Tidoute Union, presented 23 awards for posters and essays at the last school assembly. There were 17 poster prizes of 50 cents each and six essay prizes of \$1 each. Mrs. Kapp addressed the school assembly on the subject, "Alcohol Facts and Conditions."

The regular meeting of the union was held Tuesday afternoon at the home of Mrs. Clara Morley. It was Flower Mission Day and all members brought to take to the sick and shut-ins.

Mrs. Hazel Selander had charge of devotionals and Mrs. John Lawson was in charge of the program. The prize posters were on display and the six winning essays were read. Refreshments were served by the committee.

A report was made that \$118.00 was made from the rummage sale, and will be used for the national, state, local and county Crusade Fund of WCTU.

The meeting closed with a prayer by the president.

## Jaycees - Auxiliary To Install Slates At Dinner - Dance

It is learned from the arrangements committee that a nautical theme is to be carried out in decorations for the annual installation dinner-dance of the Junior Chamber of Commerce and its Auxiliary.

The affair is being held at the Marconi Outing Club Saturday evening, with dinner served at 6:30 o'clock. This portion of the evening's program is restricted to Jaycee members and wives, Auxiliary members and husbands, and those who have not made dinner reservations are urged to do so at once by contacting John Newmaker.

Newmaker is general chairman, with Willis Tickner, Tom Schorman and Dr. Arthur Marceca, with Mrs. Robert Gates, retiring Auxiliary president, heading her board of directors as the ladies' committee.

One of the party features arranged by the committee will be presentation of nosegays to each of the ladies in attendance.

Slates elected by each group to serve in the coming year will be installed as part of the after-dinner program.

At nine o'clock, there will be dancing open to guests and friends of the Jaycees, with music by Emie Emerson.

## Committees Appointed By Sorority President

Members of Beta Sigma Phi Sorority held their last regular meeting of the year at the home of Mrs. Ray Caldwell, with newly elected officers officiating, and the following committees elected to serve in the coming year:

Social, Mrs. Earle Myers, chairman, with Kathryn Galtner, Mrs. Merton Wood, Mrs. Julius Fiao, Audrey Spindler; program, Mrs. Robert Wade, chairman, and Mrs. Ray Caldwell, Mrs. Ralph Johnson, Margaret Peterson and Mrs. Maury Dahl; publicity, Mrs. Laurence Green, chairman, and Mrs. Frank Nichols and Doris Jaspersen; ways and means, Mrs. James Nordine, chairman, with Mrs. Ira Brown, Mrs. Willard Knupp, and Erna Gutzler; extension officer, Mrs. Kenneth Christiansen.

Following the business session, the topic for the evening, "Art," was presented. Before disbanding for the summer, the sorority made plans to keep in touch through the vacation period with picnic gatherings monthly.

## HOUGHWOT AND GREGORY REUNION

The 52nd annual reunion of the Houghwot and Gregory families was held at the Spencer Grove near Klanton, with a large attendance despite bad weather. Mrs. Erie Springer conducted the business session and the historian, Inez Gregory, reported three marriages, three births, and one adoption.

Officers elected for next year were: President, Mrs. Springer, re-elected; vice president, Conrad Venman; secretary, Martha Houghwot; treasurer, Roy Marsh; historian, Inez Gregory; dinner chairman, Mrs. Roy Marsh; program chairman, Mrs. Roy Marsh. It was voted to hold next year's gathering at the same place and time.

Harriette Bolin was in charge of a program of vocal and instrumental music.

## Youngsville BPW Appoints Its 1951 Committee Heads

Youngsville, June 14—Members of Youngsville Business and Professional Women's Club enjoyed a delightful picnic outing at the National Forge clubhouse at Irvine for their June meeting.

Preceding the dinner, Mrs. Dorothy Ketterer installed as club treasurer Mrs. Lola Walter, who was not present for formal installation ceremonies held at the last meeting.

Mrs. Millie Harner, new president of the club, conducted the regular meeting following the serving, when appointive chairmen for the coming year were announced as follows:

Public affairs, Mrs. Dorothy Ketterer; program coordination, Mrs. Dora Gustafson; finance, Mrs. Margie Hill; legislation, Mrs. Edith Getts; health, Miss Helen Driscoll; education and vacation, Mrs. Evelyn Overturf; international relations, Mrs. Marian Abraham; membership, Mrs. Edith Young; historian, Mrs. Margie Finlan; parliamentarian, Mrs. Nellie Anderson.

Plans for the summer period were discussed and arrangements made for a picnic-luncheon at the summer home of Mr. and Mrs. A. N. Stillings on Chautauqua Lake. Plans were also made for trips to Chautauqua Institution, to attend an opera, a play, and possibly a concert.

The club voted a gift of \$25 toward the fund being raised to send a local Boy Scout to the International Jamboree.

## 87th Anniversary Of Sugar Grove Resident

Sugar Grove, June 14—Mrs. Kit Frank celebrated her 87th birthday at her home Friday, with all of her children, with the exception of Horton, who resides in Florida, spending a portion of the day with her.

Mrs. Frank received many cards and gifts and welcomed many callers. During the winter she had a severe illness, but is much improved in health. Her daughters, Mrs. Jen Williams, Hortense and Marian Frank reside with her.

Guests were James Williams, Mr. and Mrs. William Frank and son, Richard, Mrs. Howard Chase and son, of Delhi, N. Y.; Mrs. Max Pickard, Bemus Point, N. Y.; James Frank, Jamestown, N. Y.; Kenneth and Allan Frank and families, Sugar Grove.

## Berryman - Frost Rites Solemnized In Home of Bride

A very pretty wedding was solemnized Monday evening, June 11, at the home of Mr. and Mrs. Robert Frost, Torpedo, when their daughter, Margaret Ann, became the bride of Loyd Alvin Berryman, son of Mr. and Mrs. A. A. Bridges, Phoenix, Ariz., the Rev. Andrew Jolocky, Titusville, performing the ceremony.

The bride wore a frock of powder blue taffeta and a corsage of rose-colored carnations. Miss Helen Buckley, Grand Valley, as her maid of honor, was dressed in yellow tulle and had a corsage like the bride's.

Winifred L. Wyman, from Maine, served Mr. Berryman as best man. For the reception which followed, the bride's table was centered with a three-tiered cake which was topped with miniature bridal figures and flanked by tall blue candles, carrying out the decorative scheme of gold and blue.

There were 40 guests from Grand Valley, Titusville, Tidoute, Oil City, Cherrytree, Cole Hill, Pittsfield, Garland, and Torpedo to shower the couple with many useful gifts.

Mr. and Mrs. Berryman plan to leave in September for a delayed honeymoon trip through western states.

## BIBLE SCHOOL

Sugar Grove, June 14—The Daily Vacation Bible School will open at the Methodist church, June 18, with sessions from nine until 11:30 o'clock Monday through Friday for two weeks, closing exercises to be held at the Methodist church.

Any child four this summer or up to 14 may enroll. Mrs. Paul Cariberg, Sr., will be the director, with Mrs. Neil Scott in charge of the juniors; Mrs. Theodore Allenson, primary; and Mrs. Gerald Miller, pianist.

Try Something Different: You May Surprise Yourself

HAVE you surprised anybody lately—your husband, your friends, your family, or even yourself? Have you done anything to make those who know you best say: "I didn't know you could do that," or, "I had no idea you were interested in such-and-such"? Or to make yourself think, "I didn't know I could do that?"

If you haven't, take the next opportunity that comes your way to do something you've never thought you could do. It might be making anything from a speech to a slip cover. All that matters is that it is something nobody, including yourself, would think you could do.

What's the importance of doing the unexpected now and then? Well, it has several good effects on the personality.

It gives you a new confidence in yourself to find that you can do something you always figured you couldn't do and so avoided in the past.

And it adds a lot of zip to your personality so far as others are concerned. There is always admiration behind the statement, "I had no idea you could do so-and-so."

## EASY IDEA TO SELL

AND unless you consciously do the unexpected and tackle the challenging opportunity occasionally, you get pretty set and narrow in your ways. You become one of those persons who are forever saying, "I couldn't possibly do such-and-such." And that is a mighty easy idea to sell to others.

So if you want to be proud of yourself and interesting to other people don't set a lot of limitations on what you can and can't do. Tackle something difficult now and then—something that seems difficult simply because you always figured you hadn't the talent or ability to do it. And show yourself and others that it is something you can do as well as the next person.

# TALK ABOUT PRICES--

We all know about the great New York price war that has received so much publicity the last two weeks, but do we all understand it?

Miller's believe low prices are good for everyone—the consumer and the retailer.

Miller's believe that a policy of many sales to many people at a small profit is more sound than a few sales to a few people at large profits.

## BUT -- WE KNOW THERE AIN'T NO SANTA CLAUS!

Sensational advertisements proclaiming giveaway prices on a few selected items to lure you thru our doors so that we might "sell" you other merchandise would be costly for us—and you.

Miller's policy today, as always, is to offer top quality—smart fashions at fair prices—every day of the year. This works out just fine because we take a smaller profit on more sales and—BECAUSE YOU BUY MORE AT MILLER'S—YOU PAY LESS AT MILLER'S.

## MENU SUGGESTIONS

BY GAYNOR MADDOX  
NEA Staff Writer

JUNE is the month of weddings and also ice cream festival month. So for the wedding party or just for a good dessert, let's put this favorite dairy food into our menus often.

For a beautiful wedding dessert with a caterer's touch, try ice cream wedding bells for the bride and the groom.

### Ice Cream Bell Cakes

(20 to 30 servings)  
Two quarts vanilla ice cream (bulk), 1 quart pistachio ice cream (bulk), 1 quart strawberry ice cream (bulk), ½ cup melted butter, 1½ cups cake flour, 1 cup plus 2 tablespoons cornstarch, 6 eggs, separated, 2½ cups confectioners' sugar, 2 lemons (juice and rind).

Store ice cream in freezing compartment of refrigerator until ready for use. Melt butter and cool slightly. Sift together flour and cornstarch. Beat egg yolks and fluffy. Beat remaining sugar into stiffly beaten egg whites. Fold egg whites into yolk mixture and add lemon rind and juice. Fold dry ingredients into egg mixture; add melted butter. Pour batter into three well-greased bell-shaped cake pans, the bottoms of which have been lined with greased waxed paper. Bake in moderate oven (375 degrees F.) 30 to 35 minutes. Cool.

To Assemble: Remove ice cream from freezing compartment of refrigerator (except for one quart of vanilla for balls) and allow to soften slightly. Cut each layer of cake in half, horizontally, making six layers. Use three layers for each cake. Cover one layer with slightly softened pistachio ice cream. Top with second cake layer. Spread vanilla ice cream on this layer. Top with third layer of cake. Place strawberry ice cream on this layer and arrange scoops of vanilla ice cream on top as final touch. Replace cakes in freezing compartment of refrigerator or in deep freeze until ready to serve.

### TOMORROW'S MENU

**BREAKFAST:** Blackberries, ready-to-eat cereal, soft-cooked eggs, enriched toast, butter or fortified margarine, marmalade, coffee, milk.

**LUNCHEON:** Cream of corn soup, tomatoes stuffed with leftover vegetables in mayonnaise, whole wheat bread and butter sandwiches, sliced oranges and bananas, tea, milk.

**DINNER:** Canned tuna and sliced ripe olives in sauce made of canned mushroom soup, fluffy rice, buttered green beans, enriched bread, butter or fortified margarine, raw carrot and cucumber sticks, strawberries, coffee, milk.

## Nelson - Altenburg Nuptials Tuesday In Conklin Home

Claudia Smith Altenburg, formerly of Youngville and more recently of Meadville, became the bride of Dr. David R. Nelson, Titusville, in a simple candlelight ceremony solemnized Tuesday evening in the home of Mr. and Mrs. Floyd Conklin, 314 Jackson avenue, this city.

Dr. Arthur Colley, pastor of First Methodist church, performed the double ring ceremony before a mantel banked with pink and white peonies, mock orange blossoms, lilies, greens, and white wedding bells. Wedding music was played and sung by Stewart Smith, Jamestown, N. Y., nephew of the bride. He sang "O Promise Me," "Because," and "The Lord's Prayer," and played the traditional Bridal Chorus.

Mrs. Conklin was matron of honor for her sister and Arthur Nelson, Titusville, served as his brother's best man.

The bride, entering on the arm

of her young son, Gerald Altenburg, was attired in pink sheer and carried a white Bible topped with white roses, the gift of the bridegroom. Mrs. Conklin wore paid blue organza and had a corsage of pink roses.

Mrs. V. D. Smith, mother of the bride, wore pink and white printed jersey and a corsage of pink roses.

For the reception which followed, appointments repeated the pink and white theme, with white tapers and a two-tiered wedding cake topped with bridal figures in miniature. Presiding were two aunts of the bride, Mrs. Carl Munson, Irvine, and Mrs. Hazel Brockway, Youngville. There were 35 guests from St. Paul, Minn., Titusville, Jamestown, North East, Youngville and Irvine.

After a wedding trip to New York and Philadelphia, the couple will make their home at 118 North Washington street, Titusville, where Dr. Nelson is an optometrist. Mrs. Nelson has been teaching in the Second District school, Meadville.

### VFW AUXILIARY

A large turnout is hoped for at the meeting of Dinsmoor-Schwinn Auxiliary, VFW, to be held at eight o'clock this evening in the post rooms. Delegates are to be named at this session to attend the department encampment in July.

## Anniversary Surprise

Mrs. John Pedersen, 103 North Irvine street, who was 87 years old on Monday, was given a happy surprise party Tuesday evening at the home of Mrs. Mary Canby, 105 North Irvine street, when Mrs. Canby and Mrs. Stanley Newgreen entertained 16 neighbors and friends in her honor. Visiting, reading and games were enjoyed and the honored one was remembered with a gift of money. A two course luncheon served at small tables featured a birthday cake decorated in yellow and white and bearing lighted candles. Peonies and iris were used in pretty decoration of the entire home. Born in Bornholm, Denmark, Mrs. Pedersen has been a resident of Warren since 1890 and has many friends who join in best wishes for more happy occasions.

## BPW Birthday Is Commemorated at Dinner - Program

Warren Business and Professional Women's Club members and guests gathered in the YWCA activities building Tuesday evening to celebrate the club's 13th birthday anniversary.

Tables were beautifully decorated with spring flowers and roses and, as each guest entered she passed beneath a golden horseshoe bearing the "lucky thirteen".

Miss Edna Thompson, retiring president, served as toastmaster and Miss Viola Lindmark led the group singing. The welcome was extended by Miss Elizabeth Brasington, in-coming president, and was responded to by Miss Mary Church, Titusville, a former member here and representative of the newly-formed club in that city.

As the various guests were introduced, greetings were brought from Titusville, Youngville, Corry, and Jamestown, N. Y. Five charter members of the local unit were also in attendance.

Mrs. Ruth K. Rapp presented Miss Thompson with the club emblem as a gift from the group in acknowledgment of her fine leadership during the last two years.

Music by the Chord Cadets, the Kordon Kids, and Miss Dorothy Engstrom added much to the enjoyment of the evening.

The committee in charge of dinner and program arrangements was comprised of Mrs. Margaret Drivas, Mrs. Doris Tillard, Mrs. Janet Shuholm, and the Misses Violet Peterson, Margaret McNally, and Olive Phillips.

### IRVINE WSCS MEETING

Irvine, June 14—WSCS members of the Methodist church held their June meeting at the home of Mrs. William Sweetland, Pleasant township, with 12 persons in attendance. Mrs. Olson, the president, opened the meeting with singing of "My Faith Looks Up To Thee" and the reading of the scripture lesson.

A routine business session was conducted and a silver offering taken. Mrs. Wing, program leader, had for her topic "Baskets of the Bible," with various members giving Bible verses. Mrs. Wolfe and Mrs. Hamblin giving readings. Concluding, a social hour was enjoyed and refreshments were served by the hostess.

Members were reminded the July meeting is always omitted because of vacation at the shop and

# New Applications Are Received By The Library Board

The Warren Library Association board of control held its June meeting Monday evening in the Pennsylvania Room of the public library. President Wallace Cowlen conducted the meeting and there were ten board members and the librarian present.

Routine reports were presented and accepted. The names of 63 applicants for membership in the Warren Library Association were read and accepted. This brings the total of new members to 72. It was announced that there are 122 members of the new Friends of the Library group now.

There was discussion of the printing of certificates for new association members as the original book of 500 has now been used. These certificates should be ready to be mailed within the next two weeks.

It was announced, also, that, through the generosity of an anonymous donor, some of the old shrubbery has been removed and replaced by new shrubbery around the front of the library building. This has made a very noticeable improvement in the appearance of the library lawn.

After some discussion of plans for building repairs, the meeting was adjourned.

## STOCKS PHEASANT

Titusville Herald: Flying targets for hunters next fall were introduced into the cold, wet world yesterday by District Game Protector Samuel B. Shade. He and his helpers took 4,750 day-old pheasant chicks hatched in incubators at the Western Game Farm near Cambridge Springs and distributed them to ten persons in the area who will grow them. At the end of 12 weeks the cock pheasant will be released to help stock the region for hunters. The hens will be transferred to large outdoor holding pens the Game Commission has constructed at Riceville, and will be released next spring as part of the stocking program. The farmers and others growing the birds receive \$1 apiece at the end of 12 weeks. Five pounds of feed each, nearly enough for the hungry chicks, is provided by the Commission. Next Monday more of the little tan chicks marked with black stripes over their heads will be distributed to other growers. The average is 500 chicks to each grower.

# PRICE WAR SLASHES PRICES FOR ASPIRIN

New York, June 14—(AP)—Gimbel's is out to give Macy's a headache in New York's price war by advertising 100-tablet bottles of Bayer aspirin for eight cents. The fixed price was 50 cents. Macy's had been selling them at 10 cents.

Gimbel's said in a newspaper advertisement, apparently directed at Macy's:

"Take another aspirin, dearies, you've got a headache on your hands... nobody beats Gimbel's prices."

# THE MARKETS

New York, June 14—(AP)—Quietly, and with little incentive, the stock market today leaned forward. Gains ran to around a dollar a share at the outside among leaders. There were losses throughout the list, but these were small. Many leaders traded unchanged for considerable periods.

Trading was quiet, as it was yesterday when the total came to only 1,060,000 shares, one of the slowest days of the year. Radio-Telephon shares showed some life with Radio Corp. a feature. A few cents. Steels moved up as did rubbers, utilities and some oils and chemicals.

# Jointure Plan Is Agreed Upon By Six School Districts

Corry Journal: The long discussed jointure of six school districts in the Corry area became a reality Tuesday night as members of the six boards voted to participate in a jointure for grades 7 through 12.

Three of the six districts, Concord township, Elgin borough and Corry voted for complete jointure for all 12 grades but because the other three, Columbus, Wayne and Spring Creek townships, balloted against it, the program was set up to include only the top six grades.

All but two or three of the board members from the participating districts were on hand for the session in the Junior High library when the vote was taken in jointure.

After hearing Supt. Lawrence Douglas, and Maurice Kolpein and H. L. Blair, Erie and Warren county superintendents of schools, respectively, the separate boards adjourned to private rooms where they balloted.

All of the boards voted yes on the question of jointure, jointure on the secondary level and jointure if some of the districts should not decide to be included. It was only on the question of jointure on the elementary level that the negative replies were received.

Comments from Columbus and Spring Creek board members indicated they were not necessarily opposed to complete jointure but because they are presently operating what they feel are adequate facilities at a reasonable cost, they were hesitant to become part of the program for the first six grades. However, it was indicated that both would consider changing their vote if a trial period of jointure on the secondary level should meet with approval.

Wayne township board members, while voting against the elementary plan, indicated they were opposed to it since they would not have a voice in naming the administrative head. Because of legal limitations, the administrative post, if it is to remain a superintendency, must be filled by election by a third class district school board and Corry is the only one of the six qualifying as a third class district.

In view of the light opposition to complete jointure, some board members took an optimistic view of this development at sometime in the future.

Some officials hope to file the jointure agreement before July 1 and qualify for increased state aid in the 1951-52 school year, the tentative agreement is being rewritten so as to include the sev-

eral suggestions made by member districts.

Members of the special committee which participated in drawing up the pact will meet again next Tuesday for a final session when it will be reviewed again following which copies will be distributed to the districts for signatures and subsequent submission to Harrisburg.

While the mechanics for jointure have been set up, ahead lies the groundwork for planning a new joint Junior-Senior High School of whatever facility the joint board feels will supply enough classroom space to accommodate students in grades 7-12 from the six districts.

Completion of a project is believed to be at least three years in the future because of the time-consuming process needed to procure funds from the State Authority and also the many months required to erect a suitable structure.

# Huge Audience Enjoys Concert By Boy Choir

(From Page One)

Valley, Roger Rue singing Lotti's "Pur Dicesi, O Bocca Bella" in Italian, Paul McDannell who "Taut I Taw A Pudy Tat", Jack Donaldson just "Doing What Comes Naturally", Charles Bonavita who melodiously protested "I Didn't Know The Gun Was Loaded", Roger Rue declaiming "The Charms of the City Ain't For Me", Richard Valore singing "Always", Richard Swanson swinging out in "Alexander's Rag Time Band", Raymond Bennett doing "Stormy Weather" and "Smoke Gets In Your Eyes", Roger Rue in "When I Grow Too Old To Dream", Charles Smith in "Star Duet" and Allan Berglund in "Look For The Silver Lining".

The very able accompanists were Miss Adelaide Swanson at the piano and Orrie Beebe at the organ.

To a person, the audience enthusiastically agreed that Byron Swanson, famed director of the Choir, was due tremendous acclaim for his work in bringing this group of local boys to such a high level of musical and entertainment ability, and the air was filled with praise and admiration for the superb job of staging, costuming and cooperating performed by the Parent Group headed by Dr. Albert Eberly, and the many other friends of the choir who helped out in so many ways.

After tonight's performance the choir will hold a reception at the YWCA for their parents and all those active in promoting and developing this organization of which our community can be so proud, and next Friday they will be off for Philadelphia for their T-V date with Maestro Paul Whiteman.

For those who would like to hear the boys in person before

## ANNA-STINA MARINDER

Funeral services for Anna-Stina Marinder of the Agnes Home, Jamestown, were held at the Handerson-Lincoln Chapel, Jamestown, N. Y., at 7:30 p. m. yesterday with the Rev. Philip Engdahl, pastor of the Bethlehem Lutheran Church, Falconer, officiating. The body will be sent to Buffalo for cremation, and the ashes forwarded to Sweden. Music was furnished by Mr. and Mrs. LaVerne Johnson. Attending in a body were the board of directors of the Agnes Home, the home staff and residents.

## MRS. MERTIE DILLENBECK

Mrs. Mertie Dillenbeck, widow of Reed Dillenbeck, died in the WCA hospital at Jamestown at 5:40 p. m. yesterday following a lengthy illness. She was aged 78 years.

Mrs. Dillenbeck served as telephone operator at Lottsville for 24 years, and had resided with her daughter, Mrs. Myrtle Briggs, at Bear Lake, since her retirement in 1948.

Survivors include three sons, Charles and Raymond Dillenbeck of Pendleton, Ind., and Harold Dillenbeck of Beloit, Wis.; three daughters, Mrs. Alice Reimer of Roscoe, Ill., and Mrs. Florence Woodburn and Mrs. Briggs, of Bear Lake; 10 grandchildren and 10 great-grandchildren.

She was a member of the Lottsville Methodist church, and had resided in the community for more than 30 years.

The body was removed to the Schoonover funeral home in Sugar Grove, where friends may call until Saturday noon. The body will then be removed to the Lottsville Methodist church where services will be held at 2 p. m., with the church pastor, Rev. E. H. Bolling, officiating.

Burial will be made in Cherry Hill cemetery at Sugar Grove.

**SPRED SATIN**

You'd be amazed if you could hear the enthusiastic comments we get every day about Spred SATIN. Once people have tried it, they keep coming back for more. Here are a few of the things they say:

"I've never painted before, but I got perfect results the first time."

"I finished a bedroom in a couple of hours, and it dried completely while I ate lunch."

"Not a single lap or brushmark."

"Crayon marks washed off perfectly."

The secret of this gorgeous satin finish is its exclusive synthetic rubber emulsion base—a formula developed by Glidden. We've never handled a paint that compared with Spred SATIN. Come in and we'll show you.

**DEFENSE AND OFFENSE**—Defense Secretary George C. Marshall, left, and Gen. Matthew B. Ridgway talk with reporters at Haneda Air Field in Tokyo after the secretary's secret arrival from the U.S. and an equally secret visit to Korea. Marshall said his trip was purely military and had no connection with attempts to arrange a cease-fire.

**FARM NEWS**

**Sheep Available**—Pennsylvania sheepmen are looking forward to the Keystone Stud Ram and Ewe Sale to be held in the small arena of the Farm Show Building at Harrisburg on July 11. James A. Christian, livestock extension specialist of the Pennsylvania State College, says 161 head have already been consigned to the sale by 53 breeders.

**Protect the Cow**—The vacuum of the milking machine can be harmful to the cow unless she is properly prepared. This is one reason why Ivan E. Parkin, extension dairy specialist of the Pennsylvania State College, is a strong advocate of the managed milking routine. Letdown of milk is assured before the machine is attached.

**Hedges Are Popular**—Flowering hedges are becoming more popular each year. A. O. Rasmussen, extension ornamental horticulturist of the Pennsylvania State College, names spires, deutzias, forsythias, and Regal's privet as good examples. He also suggests a new type of hedge known as the dwarf corkscrew for use as a lower hedge.

**Control Flea Beetles**—A 1 percent rotenone dust may be used to control flea beetles on vegetable leaves to be used as greens or on other edible portions of vegetables to be used within 30 days, reminds Stanley Gesell, Penn State extension entomologist.

**Grow Chickens Outdoors**—Where the facilities are available, F. H. Leuschner, Penn State extension poultry specialist, believes in getting the chicks outdoors early. He recommends a dense sod for the chicks to run on, and says they will get a lot of feed from it.

**Cultivate Strawberries**—Cultivate the newly set strawberries frequently to promote growth, kill weeds, and encourage prompt rooting of runners, urges Carl Bittner, Penn State extension fruit specialist.

The greedy pike is a terror to other fish, eating one-fifth of its weight each day.

**Two New Marine Recruit Platoons Will Be Enlisted**

Jamestown, N. Y. — Two new Marine recruit platoons composed of men from this area will be enlisted during June and July, it was announced today by Technical Sergeant Raymond P. Turk, NCO in charge of area Marine recruiting.

Because of the number of applications from high school graduates, it was felt desirable to give these young men the opportunity to leave as a member of a recruit platoon. The first platoon will leave June 28th and the second will leave on July 12th.

Having met with such satisfactory results in the recruitment of previous platoons it was felt that more young men should be given the opportunity to take that Marine recruit training together.

All previous platoons have won unit honors during their training at the Marine Recruit Depot, Parris Island, South Carolina, and it has come to light that men serving together from the same home areas have a competitive spirit that is not as easily found in recruit platoons that are composed of men from different sections of the country.

The recruitment of these platoons will not interfere with the young men who wish to volunteer and leave individually on a day they select.

Full information about enlistment qualification for the Marine Recruit Platoons may be obtained at the Warren Post Office every Thursday until 3:00 p. m.

# Carnival Will Be Staged By Ludlow Cubs Friday Night

Ludlow, June 14—Local Cub Scouts and their committeemen announce their annual carnival, in which all the community looks forward, will begin at six o'clock Friday evening in Wildcat Park. The schedule of events will include a hayride and pony rides for the children, eight or nine concession stands for everyone, and a refreshments booth.

Good planning and hard work have always made this a successful affair, well attended by local and out of town persons. Walter C. Cox is chairman of the committee on arrangements, assisted by Lawrence Larsen, Cub leader; LeRoy Johnson, Emil Nelson, Ben Connelly, Gustav Olson, and other workers, together with Mrs. Cox, Mrs. Stanley Carlson and Mrs. Frank Alling, all Den Mothers.

The Rev. Herman Davidson, who spoke to the Wilcox Ladies Aid last Thursday, will speak at a service in Johnsonburg tonight. Seth Norman will occupy the local pulpit for both services next Sunday.

Calvin Carlson celebrated his 13th birthday, when his mother entertained at a barbecue for him at Wildcat Park. Baseball and other games were enjoyed, climaxed by a birthday dessert: The happy celebrant received many gifts as well as a purse of money. Guests included Michael Swanson, Tommy Safstrom, Richard Carlson, Tommy Anderson, Dahle Carlson, Winifred Jones, Natalie Clifford, and Sylvia Carlson.

Mrs. C. H. Gardner and Mrs. Eugene Huber entertained Ladies Aid at their home, with a fair attendance. The meeting was conducted by the president, Mrs. Albert Carlson, a social hour was enjoyed, and refreshments were served.

Bridge Club was entertained at dinner by Mrs. C. H. Gardner at her home, with all of the members present, and prizes awarded to Mrs. R. E. Westman and Mrs. B. K. Connelly.

Ludlow students among the 1951 graduates at Kane High School were James Connelly, one of the honor students; Gail Olson, Michael Kulka, Edward Straneva, Dorothy Archer, Betty Nystrom, Margaret Chister, John Federko, and Lawrence Ross. Gail Olson plans to attend Penn State and James Connelly will enter Princeton in the fall.

The Community Association board met at DeForest Pavilion at Wildcat Park Tuesday night with routine business for the summer discussed. Arnold Erickson, park attendant, was among those present.

The American Legion, James Huber Post, held its regular meeting, with Commander Stanley Carlson in charge. A slate of officers has been drawn by the nominating committee for the election on July 6th.

Frederick Johnson, son of Mr. and Mrs. John G. Johnson, appeared in the violin student recital of Arthur Briggs at the Warren Conservatory of Music, with his sister, Miss Joanna, as accompanist. Present at the recital were his parents and Robert Knight.

# Handwear Takes to Tub

The short, simple glove-in-cotton or nylon is the right daytime companion for summer clothes. All of the gloves shown here are washable. Double-woven white cotton gloves (upper left) have flaring, stitched cuff, asymmetric design. Figue cuff (lower left) on these white cotton gloves provides trim. Wristband-length glove (lower right) is outlined in red stitching. Pale pink nylon, double-woven and hand-sewn, makes a glove (upper right) that washes and dries in a flash.

# Today's Business Mirror

By SAM DAWSON

New York — (P) — War contracts go west too. The west is capturing the most—apparently, all a part of its striking growth in employment, labor force and industrial expansion.

California leads the nation in the dollar total of military prime contracts awarded in the first seven months of the defense program. She got 18 per cent of the nearly nine billion dollar total—thanks in large part to her aircraft industry. Count in Washington and Oregon and the west coast has almost one-fourth of the nation's total.

New York is the second state with 16 per cent of the total. The contract awards include aircraft, ships, tanks, weapons, ammunition, clothing, and military construction. The awards are only the prime contracts. Much of the actual production will be subcontracted and may well be carried on in other states.

Figures released by the munitions board show that Michigan was the third state in amount of prime contracts, with almost eight per cent; Ohio fourth with 6.5 per cent; and Connecticut fifth with six per cent. Among them, these first five states have 55 per cent of all military prime contracts.

The rest of the first ten, in order, are: Indiana, New Jersey, Illinois, Washington and Pennsylvania—the last one with 3.7 per cent. In dollar totals the ten range from California's \$1.6 billion to Pennsylvania's \$326 million.

The aircraft industry isn't the only thing pulling contracts west. The striking industrial growth of the west, and to a slightly lesser degree the south, is shown today in figures compiled by the national industrial conference board from various government sources. The data contrasts labor force growth, industrial development, and family incomes between 1940 and 1950 in four regions of the country.

The labor force increased \$8.4 per cent in the decade in the west—Arizona, New Mexico, Colorado, Wyoming, Montana, Idaho, Utah, Nevada, California, Oregon and Washington.

An increase of 11.7 per cent in the decade was chalked up by the

# Minister's Wife Tells How Hadacol Was So Helpful

**HADACOL Helps Folks With Weak, Run-Down Conditions, Poor Appetite, When Caused by Deficiencies of Vitamins B1, B2, Niacin and Iron**

A weak, run-down condition can make life mighty drab for folks who feel that way. Imagine not having a good appetite. Loss of weight and energy often accompany this condition. When Mrs. Ardene Longaker, a minister's wife, who lives at Rt. 5, Meadowbrook Rd., North Kansas City, Mo., began feeling that way she had heard how it was helping people with weak, run-down conditions and poor appetite, when due to a deficiency of Vitamins B1, B2, Niacin and Iron. Now, Mrs. Longaker says she feels good and is recommending HADACOL to her friends.

Mrs. Longaker

Here is what she says: "I am a minister's wife and am 39 years old. I was run-down, lost weight, was listless, and had no appetite at all. I'm on my fifth bottle now and am amazed at the results. I want to eat all the time now. Most of all, I'm glad to say, I've gained several pounds. HADACOL is so economical. I believe almost anyone can afford it and I do recommend it to my friends."

HADACOL now makes it possible to actually relieve the REAL CAUSE of weak, run-down conditions, stomach distress, nervousness, poor appetite and nagging aches and pains when due to the lack of Vitamins B1, B2, Niacin and Iron in the system.

AND LISTEN TO THIS! Continued use of this great HADACOL not only gives continuous complete relief but helps keep such painful distress from returning when caused by such deficiencies. Now that's the kind of product you have been waiting for. That's the kind you should buy and start taking at once.

And HADACOL'S wonderful Vitamins and Minerals come in special pleasant liquid form so they are quickly absorbed and assimilated in the blood, ready to go to work at once.

**HADACOL IS SO EFFECTIVE** Because HADACOL helps build up the hemoglobin content of your

blood (when iron is needed) to carry these precious Vitamins and Minerals to every organ and to every part of your body.

You may have tried other Vitamin preparations or other Vitamin and Mineral preparations, so we make you this offer. Try a bottle of HADACOL today. You be the judge. If you do not believe that HADACOL is the best Vitamin and Mineral preparation you have ever taken we will gladly send you back your money. That's our positive money-back guarantee.

So be fair to yourself. Don't go through life suffering from these conditions when caused by lack of Vitamins B1, B2, Niacin and Iron, when relief may be as close at hand as your nearest drugstore.

**REFUSE SUBSTITUTES**

There's only one HADACOL. Don't let anyone tell you something else is "just as good." Insist on genuine HADACOL. You risk nothing because HADACOL is sold on a strict money-back guarantee.

Sold at all drug stores. Trial size, \$1.25, but buy the large family-size, only \$3.50.

# Few Openings In Second Period Of The Y.M.C.A. Camp

James C. Hengst, boys' work secretary of the "Y", announced today that there are still a few openings in the second period of the Warren YMCA Camp program to be held at Camp Sherwin on Lake Erie. The dates for this period are June 30 to July 6, while the first period from June 24 to 30 is already filled.

A larger staff has been secured to make one more cabin available permitting four boys nine and 10 years of age and one camper in the 11-12 age group. There is also room for one more in the senior group, 13, 14 or 15 years of age. Reservations can be made by calling the YMCA, 1000, not later than Monday, June 18th.

Registered campers are also reminded to have all health sheets and get-acquainted blanks in by Wednesday, June 20.

The work week campers are leaving Friday morning from the "Y" to get the camp in top shape before the arrival of the first boys on June 24.

At St. Cornelius Chapel, Fort Jay, Governor's Island, New York, flag presentation service, with Episcopal Chaplain (Lt. Col.) Frederick E. Morse, Post Chaplain, receiving the gift, Col. Frank J. Pierson, GSC, Deputy Chief of Staff, First Army, presenting, and John Dubbelde, son of Col. J. J. Dubbelde, Deputy Chief of Staff in Charge of Operations, bearing the flag. (U. S. ### Unemployment At Low Ebb in Area

Unemployment in Warren county is estimated at 400 persons, or less than three percent of the civilian labor force, David W. Levine, manager of the Pennsylvania State Employment Service, said today.

Levine said that people normally between jobs represent a sizeable portion of the jobless. Work applications at the P.S.E.S. office total only 1414, of which 40 percent are women. Nearly one-half of those registered are unsuitable for existing job openings because of age or lack of minimum

specific experience or training. The end of the school term will make available 250 potential workers, and the P.S.E.S. said they face the best job prospects in recent years.

Very little change in employment during May, was reflected by data supplied to the P. S. E. S. office by 49 major Warren county firms. Construction and miscellaneous categories showed slight declines, while minor gains were reported for manufacturers and retail and wholesale groups.

Claims for unemployment compensation continued to decline, with only 60 persons filing for benefits during the last week of May. The corresponding figure for April was 72. Comparable tabulations for two years ago were 282 and 962, respectively.

THIS WAY OUT—No commencement speaker need remind the graduating classes of Columbia University, New York City, that they face perilous times ahead. The air raid shelter signs, flanking an entrance to the outdoor graduation exercises, serve ample notice that the times are critical. Such signs are spotted around the university grounds to direct students to underground shelter in event of an air attack.

## The Nation Today

BY JAMES MARLOW

Washington—(P)—Beef, which has shouldered its way into the headlines, should stay there a while.

Starting tonight a congressional committee—headed by Senator Maybank, South Carolina Democrat—will begin an investigation of beef.

There's no shortage of cattle on the farms. But last week fewer cattle were sent to the slaughterhouses than any time in three years.

Maybank says there's a meat famine and he wants to find out if it's caused by a strike by the meat industry because it's sore about price controls.

The story goes back to last Jan. 26 when OPS—the office of price stabilization—froze prices generally.

But this freeze applied, in the meat industry, only to wholesalers and retailers. Meaning: The price at which the wholesaler could sell to the retailer, your neighborhood butcher, was frozen; so was the price the retailer could charge you.

But the farmer or cattle-raiser was untouched: he still was free to charge any price he could get when he sold to the slaughterer.

Gradually, OPS says, the wholesaler and retailer, with their prices frozen, were caught in a squeeze as the price of the beef they bought went up.

Although cattle people argue the expense of raising cattle was increased, OPS' Boss Michael V. DiSalle says the price of beef has shot up faster—50 per cent in 18 months.

So his OPS decided the farmer's price could be cut and he'd still be ahead of the game with plenty of profit left. On April 28 OPS acted.

It announced a plan which by Oct. 1, OPS said, should cut the farmer's price about five cents a pound but cut the price for you, the consumer, when you bought it in a butcher shop by about ten per cent a pound—somewhere around ten cents on most beef.

This was the plan: By May 20 slaughterers would have to reduce the average price they paid cattle-raiser for the live beef by ten per cent; another 4½ percent by Aug. 1; and still another 4½ per cent by Oct. 1.

And by the time Aug. 1 came around retail prices would be cut four or five cents a pound and the same amount again on Oct. 1.

That, briefly, is the OPS plan. DiSalle said beef, which makes up such a large part of the American diet, had to be controlled or the whole price control program would become a joke.

Almost from the moment that April 28 plan was made public, cattlemen poured into Washington, demanding of their congressmen that these controls be abandoned. They even went to see the president about it.

Ludlow, June 14—The Lutheran Circle of Moriah Lutheran church is sponsoring a program Wednesday evening, June 20, at 8 p. m., for the benefit of the Upsala Chapel Fund and is asking donations for this worthy cause. The program will be announced in detail later, but friends will like to know that Upsala students of the area are appearing, as well as Ludlow talent.

Members of the Moriah confirmation class received into membership Sunday morning were Susan Anderson, Nancy Carlson, Patrika Erickson, Ronald Giffert, Wayne Gregg, Teddy Nystrom and Gary Swanson.

Vacation Bible School started Monday for a two-week session through June 22, from 9:00 to 12:00 daily. Classes are held in the high school building, with Rev. Herman Davidson in charge.

Moriah Missionary Society meeting was held at the church, with 16 women present. The meeting was conducted by the president, Mrs. Ernest Swanson, who led in devotionals. In the business session it was decided this organization will sponsor a teen-age missionary group with a committee appointed to arrange the club, Thille Olson, Mrs. Enoch Nelson, and Edith Larson. The program included an article concerning Korea by Mabel Peterson and the New York Missionary Conference delegate's report by Mrs. E. O. Nelson. Refreshments were served in the late evening by Mrs. Enoch Nelson.

Mr. and Mrs. Adolph Johnson returned Monday from East Orange, N. J., where they attended the Upsala College Commencement exercises in which their son, Neal, was a member of the 1951 class.

Mr. and Mrs. Leroy Johnson, Miss Delores, and Alfred have left for a short vacation in New Jersey and Washington, D. C.

Mrs. John Begeny arrived home Monday after having attended the wedding of a friend in New Jersey.

Mr. and Mrs. E. W. Johnson and daughters, Emily and Doris, have left for Lansing, Mich., where they visited with Dr. and Mrs. Chester Lawson. Miss Allene, of Michigan State College, accompanied her parents home to spend the summer.

Mr. and Mrs. E. H. Stahlman and family, Falconer, N. Y., were Saturday visitors of local relatives.

## Pace-setting Brooklyn Dodgers Setting Fast Pace on the Road

By The Associated Press  
Home may be a man's castle at the Brooklyn Dodgers are finding the road more fruitful than their Ebbets Field citadel.

The Dodgers, sprinting six games in front of the pack, are errors on foreign soil. They have won 15 games and lost only five away from home for a terrific .750 pace. At home they have won 18 and dropped 13.

The Dodgers are unbeaten at Boston, Cincinnati, New York and Pittsburgh. They have lost only one game in St. Louis and two each at Philadelphia and Chicago.

The league leaders currently on their second tour of the west, made it two straight over the St. Louis Cardinals last night, 7-4.

Duke Snider was the big gun in the Dodgers last night. He rounded out four hits, a home run, a double and two singles and drove in three runs to spearhead the Dodgers' 11-hit attack.

Snider broke up the game with a three-run homer in the fifth inning. The blow was his 14th and capped a 3-3 tie.

Joe Hatten started for Brooklyn and was tagged for a three-run homer in the fourth by Del Rice that temporarily tied the score. Hatten left for a pinch-hitter in the fifth and Clyde King gained credit for his fifth victory.

The New York Giants remained in second place as a result of their 5-2 victory over the Cincinnati Reds in a day game. George Spencer bagged the victory.

Errors also helped Robin Roberts and the Philadelphia Phillies beat the Chicago Cubs, 5-0. The Cubs made four errors, which figured in three of the Phils' runs.

Roberts blanked the Cubs on four hits, two of them extra base smashes, for his seventh victory.

American league action was restricted to one game in which the Boston Red Sox defeated the Detroit Tigers, 2-0, behind the five-at pitching of Bill Wight, who went the distance for the first time this year.

The league-leading Chicago White Sox and Washington Senators were rained out along with the St. Louis Browns and New York Yankees, the Cleveland Indians and Philadelphia Athletics and the Boston Braves and Pittsburgh Pirates.

### PONY LEAGUE

By The Associated Press  
Jamestown and Hornell begin a three-game series tonight in the battle for first place in the PONY League.

The Dodgers have a chance to overtake Jamestown — something they have been trying to do since they lost the lead June 2. The Falcons lead Hornell by one game and 48 percentage points.

Jamestown goes into the series playing at a gaudy .750 clip since the first of the month. The Falcons have won nine of their last 12 games.

Hornell, on the other hand, has played .500 ball since the first, winning five and losing five.

The first game of the series will be played at Hornell. The teams travel to Jamestown for the next two games tomorrow and Saturday.

All games were rained out last night. They were: Jamestown at Corning; Wellsville at Hornell; Batavia at Olean, and Hamilton at Bradford.

## Corpse on the Town

By JOHN ROEBURT

### Chapter 10

THERE were sounds of tittering as she was the creature in brown silk.

Matthew Hunter said, "Penny, go to your room."

Penny rose and went off obediently. Ripples of mirth rippled the back of her oversize brown silk dress.

Jigger and Red exchanged glances.

Hunter turned back to Jigger. He began with grasshopper analogy. "It's a story you're after—"

His mouth twisted. "Something with freak appeal; let me warn you that I will go to any lengths or cost to prevent the publication of such a story."

Hunter resumed. "Now, for an explanation, since possibly one is due you for your trouble in coming here: Willie is sick; he sustained a spinal injury as a child. His world is a world of fairy tales, and Susan's death and cremation away from home has added another hallucination. Willie imagines himself a prince, and Susan the lost sleeping princess. He must find her, touch her, and restore her."

The corners of Hunter's mouth dropped moodily. "It's a wild, horrible obsession. The boy rushes off everywhere; wherever a newspaper account of an unidentified woman appears. Sometimes, it's embarrassing, as your presence here now is. Explanations have to be made; fairly sorrowful exposed to sunlight."

Jigger said, "If you'll allow a personal question?"

"Yes?"

"Your daughter's marriage to Willie—How is it you permitted it?"

"Susan wanted it," Hunter's eyes clouded. "She had great compassion for him. They were cousins, but the passion was too great. And I, too, was sorry for the boy. I became his father, after his own father—my brother, died."

Jigger nodded. "I understand. But marriage, to a helplessly infantile man?"

"There was another reason. Susan never spoke of it, or any of it, but the passion was too great. Susan felt responsible for Willie's condition. His injury had occurred during their play together."

Birmingham, Mich., June 14—(AP)—Golf's greatest show, the United States open, today began its 51st annual performance with a field of 162 high-voltage shooters fearfully feeling the way over cunningly-trapped Oakland Hills country club course.

From defending champion Ben Hogan down, the array of 124 professionals and 28 amateurs complained that this par-70, 6,827-yard layout is strictly a series of snares and delusions.

The 72-hole medal play test with a hiked \$15,000 prize list calls for 18 holes and today and tomorrow with the 50 low scorers coming to grips in Saturday's closing 36-hole grind.
